Assignment II: Lab Reports

1   Assignment brief:

You will be doing a number of labs using the given VM (or netlab) to further understand different concepts in this course. Lab briefs and supporting files can be found in Hands-on section on the course page. Each of the labs requires preparing a comprehensive report explaining observations, answering questions and attaching screen-shots demonstrating successful completion (wherever applicable) of the tasks given in the lab..

For this assignment: Submit reports for any three of the labs (done using VM or netlab) you will be doing for this course.

1.1   Indicative marking schedule

Each report is worth 10%, making it 30% in total of the overall course marks.

For TLS Lab:

Tasks	Points
